PAID RESEARCH OPPORTUNITY

Seeking participants for a study on aging, decision making, and email scams.

This study involves completing cognitive tests and taking part in an MRI scan. Participants will receive monetary compensation for their time. Adults 18 to 30 may qualify!

To learn more about the project, please email us at HumanDecisionMakingStudy@gmail.com

An Institutional Review Board responsible for human subjects research at The University of Arizona reviewed this research project and found it to be acceptable, according to applicable state and federal regulations and University policies designed to protect the rights and welfare of participants in research.
